

Volunteer to work the night of Project Graduation!

- We are in the **HOME STRETCH!!** June 24th is around the corner!!
 - We need help the night of Graduation. If you can help out in ANY capacity – please see where we need help below and reach out to Marge Wallek – her contact info is - mwallek621@sbcglobal.net
 - **Remember** - Your student might be telling you they do not want you at the party - - - Do not listen to them!! They will not even know you are there! We need an adult at every entry point, we need hall monitors, food servers, casino workers (no experience needed). If you cannot help at night – how about helping with DECORATIONS or FOOD-PICK UP? See below for more details!
 - **Freshman, Sophomore and Junior Parents - we can use your help with FOOD PICK-UP**
 - **Food pick up** – this is between 7:00 pm and 9:30 pm. We need about 20 volunteers in this time frame to pick up the donated food for the party around town.
 - **Decorations** – the committee could use some extra hands – we will decorate from 1:00 pm until 4:00 pm on the afternoon of graduation (June 24). We have purchased lots of carnival decorations that need to be hung. We also have about 200 balloons that need to be filled with helium!
- During the party:**
- **Food servers** (popcorn machine, drinks, food servers)
 - **Casino workers** (you will be trained) – work the various casino tables that will be set up
 - **Hall monitors** – we need to ensure the graduates come in and stay in
 - The shifts are: 10pm – midnight, midnight – 2 am, 2 am – 4 am, 4 am – 6 am (this is really cleanup). The midnight to 4 am slots are hard to fill...J
 - Please consider helping out – even for an **HOUR** – the Project Graduation committee would be most grateful!
 - **If you can help, please respond to Marge Wallek, our volunteer coordinator at mwallek621@sbcglobal.net ASAP!**
 - **Let's make this a night the Class of 2013 will never forget!**
